Among the best vivarium animals are the stunningly beautiful tree frogs, the subject of this book. This colorful and informative guide written by three renowned ranine experts focuses on the care of tree frogs but also covers important topics, from acclimating imported species to housing, feeding, and captive breeding. Popular Tree Frogs proves the most authoritative and reliable resource for keeping tree frogs healthy and thriving. Authors Philippe de Vosjoli, Robert Maillous, and Drew Ready provide guidelines for selecting and keeping the most popular species of tree frogs, highlighting White's tree frogs and red-eyed tree frogs as well as white-lipped tree frogs, green tree frogs, Cuban tree frog, barking tree frog, gray tree frog, golden foam nest frogs, gliding tree frogs, and Australian red-eyed tree frogs. For each featured tree frog, the authors provide insight into size, longevity, care and maintenance, sexing, feeding, breeding, and more. This Advanced Vivarium Systems title includes information about selecting a healthy example, quarantine and acclimation considerations, housing needs, water and feeding, as well as solid advice about keeping tree frogs healthy. A separate chapter on diseases and disorders provides a complete primer on the health needs and veterinary care of these rewarding amphibians.

Krause Publications' Standard Catalog series is available by specific marque, in individual volumes or a set. Each book contains in-depth profiles of specific makes by model, factory photos, and up-to-date vehicle pricing. The I-to-conditional pricing system assures readers of accurate values, whether a vehicle is a #1 low-mileage, rust-free beauty or a #6 parts-only heap. "Techs & specs", original factory prices, production and serial numbers, and engine/chassis codes are noted by model, thus helping you determine authenticity accuracy. Historical, technical and pricing information are combined from hundreds of sources. James Flammang values each model according to the popular 1-6 grading system invented by Old Cars magazine.
