AUDITING, 11E

prepares readers for the challenging responsibilities faced in the public accounting profession. This casebook stresses the people aspect of independent audits. Readers learn how to avoid audit failures most often due to client personnel who

Download

Ebook

intentionally subvert an audit or auditors who fail to carry out their responsibilities.

A detailed review of problem audits helps readers recognize the red flags common to failed audits.

Discussing and dissecting these challenges prepares readers to handle potential problematic

Download

Ebook

situations in their own professional careers. Readers also acquire a higher-level understanding of auditing standards, ethical principles, audit procedures, and other issues related to independent auditing. By studying these topics in a real-world context, readers achieve a more in-
