This is the story of four generations of  
an Italian American family. It begins  
with an immigrant who came through  
Ellis Island with big dreams, a small  
shovel, and his parents' good advice:  
"Work hard, but remember to enjoy  
life, and never forget your family."

Italian Family And A Little  
Shovel

Now, many years later, the man's great-grandson, Dan Yaccarino, tells how he succeeded, and how the little shovel has been passed from father to son—along with the good advice. It's a story that captures the experience of so many American families. One that will have kids asking their parents and grandparents, where did we come from? Tell me our story.

Think It Can't Happen Here? Think Again: Operation Vigilant Eagle HR 347 Million Vet March IRS Targeting Bundy Ranch Ferguson Patriot Act Partisanship is on the rise, the economy is in a downward spiral, and there is a steady erosion of civil liberties. Morning News, The Guardian, Variety,  
and Kirkus Reviews Late one spring  
night in California, Driss

Guerraoui—father, husband, business  
owner, Moroccan immigrant—is hit and  
killed by a speeding car. The aftermath  
of his death brings together a diverse  
cast of characters: Guerraoui's  
daughter Nora, a jazz composer  
returning to the small town in the  
Mojave she thought she'd left for good;  
her mother, Maryam, who still pines for  
her life in the old country; Efraín, an  
undocumented witness whose fear of  
deportation prevents him from coming  
forward; Jeremy, an old friend of  
Nora's and an Iraqi War veteran;  
Coleman, a detective who is slowly  
discovering her son's secrets;  
Anderson, a neighbor trying to  
reconnect with his family; and the  
murdered man himself. As the

# Read Free All The Way To America The Story Of A Big

characters—deeply divided by race, religion, and class—tell their stories, each in their own voice, connections among them emerge. Driss's family confronts its secrets, a town faces its hypocrisies, and love—messy and unpredictable—is born. Timely, riveting, and unforgettable, *The Other Americans* is at once a family saga, a murder mystery, and a love story informed by the treacherous fault lines of American culture.

A revelatory biography of the first Black woman to stand for Vice President, charting how the daughter of two immigrants in segregated California became one of this country's most effective power players. There's very little that's conventional about Kamala Harris, and yet her personal story also represents

## Read Free All The Way To America The Story Of A Big

the best of America. She grew up the eldest daughter of a single mother, a no-nonsense cancer researcher who emigrated from India at the age of nineteen in search of a better education. She and her husband, an accomplished economist from Jamaica, split up when Kamala was only five. The Kamala Harris the public knows today is tough, smart, quick-witted, and demanding. She's a prosecutor—her one-liners are legendary—but she's more reticent when it comes to sharing much about herself, even in her memoirs.

Fortunately, former Los Angeles Times reporter Dan Morain has been there from the start. In *Kamala's Way*, he charts her career from its beginnings handling child molestation cases and homicides for the Alameda County District Attorney's office and her

# Read Free All The Way To America The Story Of A Big

relationship as a twenty-nine-year-old with the most powerful man in the state: married Assembly Speaker Willie Brown, a relationship that would prove life-changing. Morain takes readers through Harris's years in the San Francisco District Attorney's Office, explores her audacious embrace of the little-known Barack Obama, and shows the sharp elbows she deployed to make it to the US Senate. He analyzes her failure as a presidential candidate and the behind-the-scenes campaign she waged to land the Vice President spot. Along the way, he paints a vivid picture of her values and priorities, the kind of people she brings into her orbit, the sorts of problems she's good at solving, and the missteps, risks, and bold moves she's made on her way to the top. Kamala's Way is essential

# Read Free All The Way To America The Story Of A Big

reading for all Americans curious  
about the woman standing by Joe  
Biden's side.

Because Rosie, who lives in Little Italy, wants to be a modern American girl, she finds a way to make her dream come true while celebrating the feast of St. Gennaro.

As if recovering from a raucous dream of the 1960s, Gerry Beckley, Dewey Bunnell, and Dan Peek arrived on 1970s American radio with a sound that echoed disenchanted hearts of young people everywhere. The three American boys had named their band after a country they'd watched and dreamt of from their London childhood Air Force base homes. What was this country? This new band? Classic and timeless, America embodied the

# Read Free All The Way To America The Story Of A Big

dreams of a nation desperate to emerge from the desert and finally give their horse a name. Celebrating the band's fiftieth anniversary, Gerry Beckley and Dewey Bunnell share stories of growing up, growing together, and growing older. Journalist Jude Warne weaves original interviews with Beckley, Bunnell, and many others into a dynamic cultural history of America, the band, and America, the nation. Reliving hits like "Ventura Highway," "Tin Man," and of course, "A Horse with No Name" from their 19 studio albums and incomparable live recordings, this book offers readers a new appreciation of what makes some music unforgettable and timeless. As America's music stays in rhythm with the heartbeats of its millions of fans, new fans feel the draw of a familiar

# Read Free All The Way To America The Story Of A Big

emotion. They've felt it before in their hearts and thanks to America, they can now hear it, share it, and sing along.

From Susan H. Kamei and Barry Denenberg, the award-winning author of *Ali: An American Champion*, comes an engaging new novel that narrates the oral history of Japanese incarceration during World War II, from the perspective of the young people affected. It's difficult to believe it happened here, in the Land of the Free: After the bombing of Pearl Harbor in 1941, the United States government imprisoned more than one hundred and twenty thousand Japanese Americans living on the Pacific Coast in desolate concentration camps until the end of World War II just because of their race. In this book,

# Read Free All The Way To America The Story Of A Big

the voices of those who lived through this experience are wrapped around the story of their incarceration and illuminate the frightening reality of this dark period in American history. Many of them were children and young adults at the time. Now, more than ever, this book is needed for all who care about what it means to be an American.

“An elegant, meticulously researched, and eminently readable history of the books that define us as Americans. For history buffs and book-lovers alike, McHugh offers us a precious gift.”—Jake Halpern, Pulitzer Prize winner and New York Times bestselling author “With her usual eye for detail and knack for smart storytelling, Jess McHugh takes a savvy and sensitive look at the 'secret

# Read Free All The Way To America The Story Of A Big

origins' of the books that made and defined us. . . . You won't want to miss a one moment of it.”—Brian Jay Jones, author of *Becoming Dr. Seuss* and the

New York Times bestselling *Jim Henson*

The true, fascinating, and remarkable history of thirteen books that defined a nation

Surprising and delightfully engrossing, *American* explores the true history of thirteen of the nation's most popular books.

Overlooked for centuries, our simple dictionaries, spellers, almanacs, and how-to manuals are the unexamined touchstones for American cultures and customs. These books sold tens of millions of copies and set out specific archetypes for the ideal American, from the self-made entrepreneur to the humble farmer. Benjamin Franklin's *Autobiography*, *How to Win Friends and Influence People*, Webster's

# Read Free All The Way To America The Story Of A Big

Dictionary, Emily Post's Etiquette:

Americanon looks at how these ubiquitous books have updated and reemphasized potent American ideals—about meritocracy, patriotism, or individualism—at crucial moments in history. Old favorites like the Old Farmer's Almanac and Betty Crocker's Picture Cook Book are seen in this new way—not just as popular books but as foundational texts that shaped our understanding of the American story. Taken together, these books help us understand how their authors, most of them part of a powerful minority, attempted to construct meaning for the majority. Their beliefs and quirks—as well as personal interests, prejudices, and often strange personalities—informed the values and habits of millions of Americans, woven into our cultural

# Read Free All The Way To America The Story Of A Big

DNA over generations of reading and dog-earing. Yet their influence remains uninvestigated--until now. What better way to understand a people than to look at the books they consumed most, the ones they returned to repeatedly, with questions about everything from spelling to social mobility to sex. This fresh and engaging book is American history as you've never encountered it before.
