for every knife owner Skyhorse Publishing is proud to publish a broad range of books for hunters and firearms enthusiasts. We publish books about shotguns, rifles, handguns, target shooting, gun collecting, self-defense, archery, ammunition, knives, gunsmithing, gun repair, and wilderness survival. We publish books on deer hunting, big game hunting, small game hunting, wing shooting, turkey hunting, deer stands, duck blinds, bowhunting, wing shooting, hunting dogs, and more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home.

year journey through the testing and evaluation phase of America's longest serving battle rifle, now known by many names, such as the AR-15, M16, M4, 416, and many others. From the History and Development of the Modern Black Rifle (an award winning, in-depth article) to accessories and configurations the reader may have never even heard about, this book includes numerous, previously published articles focused solely on the black rifle and includes a few of the author's picks for new upgrades and systems to watch in the future. With a Foreword by legendary musician, outspoken outdoorsman, and 2nd Amendment advocate, Ted Nugent, and a Preface by a former Navy Seal of the elite Team 6 and member of the top secret team REDCELL, never before has such a compilation of articles on a single weapon system been published.
