Guts, the Black Swordsman, is marked with the Brand, which draws the forces of evil to him, but, with a gigantic sword and an elf companion, Guts battles the damned with a vengeance.

Guts the Black Swordsman just can't seem to find a little peace. On his way to the idyllic tranquility of his miniature pal Puck's homeland of Elfhelm, Guts and his companions, at the behest of a local witch, assist a village beset by a plague of hideous and deadly trolls. Assisted by the witch's disciple, Schierke, the warrior band manages to turn the tide against the beasts, but when a monstrous ogre hits town, a tide of another kind is needed, a mystic flood to wash the town clean. But when Casca and Farnese are carried away by the flood, they become prisoners in the troll's den, where a fate far worse than any imaginable death awaits!

Guts, the Black Swordsman, goes from the frying pan to the fire as he must enter the mating chamber in the horrifying lair of trolls to rescue his love, Casca, and the Lady Farnese from the loathsome attentions of the hideous beasts. But while even an army of trolls cannot stand against Guts's boundless fury, the mightiest of warriors is no match for a demon lord. And so when Slan of the Godhand manifests from the entrails of slain trolls and takes Guts into her deadly embrace, Guts discovers he may not only be fighting for his life, but for his very soul!

Desperate as Guts, the Black Swordsman, has been to reunite with his former captain and lover, the now-mad Casca, he’s quickly learning that being together is as dangerous as being apart. What should be a simple journey to the safety of Puck’s homeland proves to be a gauntlet of perils, as the Mark of Sacrifice each bears brings the fury of Hell down upon them, and Guts discovers that in his darkest moments he himself is the greatest danger to the woman he loves. Created by Kentaro Miura, Berserk is a fiery manga apocalypse, an ominous omnibus of furious action, fearsome horror, and funereal humor that strikes a power chord in the hearts of its devoted followers and strikes down the rest like a scythe through wheat. Bring in the sheaves!

Guts, the Black Swordsman, and his companions have finally broken free of the monster-infested wilderness and arrived at the port city of Vritannis. But the band finds out all too quickly that humans can be just as monstrous as the nightmarish creatures and apostles they battled in the forest. As Schierke and Isidro face off against pirate slavers, Farnese's power-hungry family tries to force her once again under the yoke of their political ambitions. The group's only hope is to find a ship out of the city, but even if they manage to secure a vessel, will everyone be free to leave?

The century-spanning war between Midland and Chuder continues unabated. The two warring kingdoms, vying for supremacy, launch headfirst into what will become the final battle. Leading the Midland forces are the Band of the Hawk, lead by the charismatic Griffith, with the fearless Guts as his trusted champion. But should the Hawks triumph again on the battlefield, the war with Chuder may end, but the secret war within Midland may begin as those who seek to rise within the court see the ambitious Griffith as an obstacle to obtaining power. And nothing is more formidable than an enemy unseen!

From his days as a young mercenary to his time as captain of the Band of the Hawks’ Raiders, Guts’s life has been defined by his ability to fight and his will to win. Now cursed with the Brand of Sacrifice – a sigil that will forever mark him as prey for the damned – and with his companions dead, his lover’s mind destroyed and his one-time commander and friend reborn as a malevolent demon lord, it seems that more than ever Guts must rely upon his instinct to survive. But Hell has many faces, and when what appears to be an innocent country village proves to be a den of tragic secrets, the horror of a fairy tale perverted by pain and hate may prove to be more than Guts can handle!

From creator Kentaro Miura comes Berserk, a sprawling adult fantasy epic of horror, humor, and fierce imagination and the inspiration for the wildly popular anime. To cure the afflicted Casca, Guts and company battle Elf Island's magical defenses and finally reach Elfhelm, where the elven ruler opens the Corridor of Dreams, projecting Schierke and Farnese into the forbidding wasteland of Casca's mind. But horrors lurk there, some more foul than any in the material world!

Griffith, charismatic leader of the elite mercenary Band of the Hawk, has seen better days. His fearless champion, Guts, has left the Band, defeating Griffith in personal combat as his ticket out. With his judgment clouded by this unthinkable humiliation, Griffith eases his pain in the arms of the daughter of Midland's king. But the King doesn't take kindly to an employee picking the royal flowers, and the next stop for Griffith is the dungeon and the torture rack! Without Griffith and Guts, the Hawks become easy prey for Midland's army, and the AWOL Guts may be the only answer to the Hawks' – and Griffith's – lethal problems.

The world of Guts, the Black Swordsman, is changing in a hurry. Though a demonic maelstrom has leveled the dreaded Tower of Conviction and ended the reign of terror of its grand inquisitor, Mozgus, peace has not returned to Midland. The Tower's fall has heralded the unexpected return of Griffith, Guts former leader, last seen transformed from a shattered husk into one of the demon lords of the Godhand. but Griffith looks like his old self again – and with his dreams of carving out a kingdom by his own hand still intact. He's raising a new Band of the Hawk, but this time he's recruiting from the dark side to fulfill his deadly destiny!
