Give your best friend more purr and pounce with this whiskers-to-tail guide to the good life! One reason we're wild for cats is that our cats are still wild at heart. On our laps, they're purring lovebugs, but on the prowl, they're fearsome hunters—with territorial instincts to match. The Handbook for a Happy Cat takes us inside the feline mind to decode what our cats really want in life and how they try to tell us. We highly recommend *The Stray Cat Handbook*." Louise Holton and Becky Robinson, Co-founders, Alley Cat Allies: The National Feral Cat Network "This is a must read for those considering animal rescue work. The information and suggestions provided are first rate and are based on actual experiences." Linda A.
