Delhi, city and national capital territory, north-central India. The city of Delhi actually consists of two components: Old Delhi, in the north, the historic city; and New Delhi, in the south, since 1947 the capital of India, built in the first part of the 20th century as the capital of British India.

When the Big Apple no longer felt big enough, Dave Prager and his wife, Jenny, moved to a city of sixteen million people—with seemingly twice as many honking horns. Living and working in Delhi, the couple wrote about their travails and discoveries on their popular blog *Our Delhi Struggle*. This book, all new, is Dave's top-to-bottom account of a megacity he describes as simultaneously ecstatic, hallucinatory, feverish, and hugely energizing. Weaving together useful observations and hilarious anecdotes, he covers what you need to know to enjoy the city and discover its splendors: its sprawling layout, some

favorite sites, the food, the markets, and the challenges of living in or visiting a city that presents every human extreme at once. Among his revelations: secrets that every Delhiite knows, including the key phrase for successfully negotiating with any shopkeeper; the most fascinating neighborhoods, and the trendiest; the realities behind common stereotypes; tips for enjoying street food and finding hidden restaurants, as well as navigating the transportation system; and the nuances of gestures like the famous Indian head bobble. *Delirious Delhi* is at once tribute to a great world city and an invitation to explore. Read it, and you'll want to book the next flight!

The book represents the first comprehensive history of the Delhi Sultanate from 1210-1400.

Expeditions led by John Cleves Symmes in 1788 brought the first settlers to the Delhi area. But the township really came to life in 1817, when the Ohio legislature passed a bill to name the area "Del High." There are many speculations about the origin of this name, but the true answer has been lost to history. Many farms sprouted up in Delhi, as well as nearly 60 greenhouses, but only about a half-dozen remain today. As the greenhouses and farms grew, so did the population. Schools, churches, and businesses were built, and in 1829, the Sisters of Charity was established. Residents of Delhi survived the Cholera epidemic of the mid-19th century and three major tornadoes. Delhi citizens are devout, and many continue to live in the same area in which they were born.

A Vintage Shorts Travel Selection Before she was a seven-time James Beard Award-winning cookbook author, or a Berlinale star, Madhur Jaffrey was a little girl growing up in an India in transition. In this selection from her acclaimed autobiography, *Climbing the Mango Trees*, she shares her food memories from one of the most turbulent times in modern history. As Partition split her country in half, everything changed for young Madhur Jaffrey. Here she recounts what it was like to live through this time of immense upheaval, from independence from Britain to the tragic death of Mahatma Gandhi. In spite of all that was happening around her, Jaffrey's great passion—food—remained the center of her life. Here, in mouthwatering detail, she remembers the koftas and karhi, the paneer and pooris that defined these years for her

every bit as much as the dramatic events that shook the subcontinent. An eBook short.

A sprawling megacity of nearly twenty million people, Delhi has forgotten its ecological history, a key part of which is the Ridge, often referred to as Delhi's "green lung". At various points, Delhi has been a crucial hub of politics, warfare, trade and religious expansion on regional and global levels. Placing Delhi's environment at the front and centre of its unique history, the book tells the tale of the Ridge, which resonates far beyond the boundaries of India's capital. The Ridge offers a crucial vantage point for viewing these historical and geographical

interconnections. Its trees can't be separated from the stones below them, nor the cities that rose and fell around them. Only with this perspective does a clear picture of the Ridge and Delhi as a whole emerge.

The present work is a broad survey of political, social, economic and cultural developments in India between 1206 and 1526. These three and a quarter centuries, called the Delhi Sultanat, is sometimes seen as a dark age of war and rapine in which little developments took place.
