Book-keeping and Accountancy by Prof. R.C. Agarwal is a publication of the SBPD Publishing House, Agra. The book covers all major topics of Book-keeping and Accountancy and helps the student understand all the basics and get a good command on the subject.

This book is designed to cater to the needs of 5th and 6th semester B. Com students of Cost Accounting and Advanced Cost Accounting disciplines of University of Madras and other Universities in Tamil Nadu. The chapters in the book have been presented in a simplified way so that even self-learners can easily understand the concepts. Each chapter is supported with numerous illustrations from previous years ' question papers and chapter-end exercises. Additionally, several exercise problems have been listed with sufficient hints and answers. This will enable the students to work out the problems independently and face the examinations confidently.

Cost Accounting, Stage 2 discusses the basic elements of cost, cost collection, and cost accounting techniques and methods. The book provides an introduction to the concept of cost accounting and tackles cost ascertainment and conversion costs. The text discusses the various types of costing such as job, process, marginal, and standards. A whole chapter is also dedicated to budgets, variance analysis, and presentation of cost accounting information. The text will be of great reference material for both students and practitioners of accounting.
