In a strangely heartwarming story, a duck strikes up an unlikely friendship with death. Suggested level: junior.

This volume discusses the aesthetic and cognitive challenges of modern picturebooks from different countries, such as Denmark, France, Germany, Norway, Spain, Sweden, United Kingdom, and USA. The overarching issue concerns the mutual relationship between representation and narration by means of the picturebooks' multimodal character. Moreover, this volume includes the main lines of debate and approaches to picturebooks by international leading researchers in the field. Topics covered are the impact of paratexts and inter pictorial allusions, the relationship between artists' books, crossover picturebooks, and picturebooks for adults, the narrative defiance of wordless picturebooks, the representation of emotions in images and text, and the depiction of hybrid characters in picturebooks. The enlargement of the picturebook corpus beyond an Anglo-American picturebook canon opens up new horizons and highlights the diverging styles and genre shifts in modern picturebooks. This tendency also demonstrates the influence of specific authors and illustrators on the appreciation of the picturebook genre, as in the case of Astrid Lindgren's picturebooks and the picturebooks created by renowned illustrators, such as Anthony Browne, Wolf Erlbruch, Stian Hole, and Bruno Munari. This book will be

## Download Ebook Duck Death And The Tulip

the definite contribution to contemporary picturebook research for many years to come.

A delightful children ' s book “ filled with surreal gags about prepositions and adverbs, cheerful absurdity, and down the rabbit hole-style musings ” (School Library Journal). One day, a few minutes after Once Upon a Time, a bear awakes to find he has lost something very important: himself! He sets out into the Fabulous Forest to find himself, using only a few clues scrawled on a piece of paper: the bear he's looking for is a nice bear; he is a happy bear; and he ' s very handsome too! These sound like pretty good qualities to Bear, and so begins his memorable journey. With the help of critters like the Convenience Cow, the Lazy Lizard, the Turtle Taxi, and the Penultimate Penguin, Bear finds that he himself is just what he ' s been looking for all along: a nice, happy bear—and handsome too! “ A melding of Phantom Tollbooth logic, Alice in Wonderland whimsy, and peppered with a cast of unforgettable Little Prince like characters . . . You can ' t help fall into the imaginative world of this delightfully clever picture book. ” —BookBloom “ Irresistible. ” —O, The Oprah Magazine “ Gentle wordplay and Lewis Carroll-like paradoxes . . . Everything is new to Bear, and his discoveries will delight readers. ” —Publishers Weekly (starred review) “ Erlbruch's playful, distinctive illustrations . . . are sublime. ” —Kirkus Reviews “ Young readers with a philosophical nature and an appreciation for provocative silliness will be especially gratified by Bear's self-discovery . . . The Fabulous Forest effectively evokes a fairy tale feel, and Bear, a portly fellow with huge eyes, a bright red mouth, and colorful flecks in his black fur, is loveable at first sight. ” —New York Journal of Books

Mrs. Meyer, who worries excessively about everything, tries to help a young bird learn how to fly and discovers the thrill of flying herself.

A beautiful, sensitive picture book about being able to say goodbye to those we love, while holding them in memory."

One autumn day Frog discovers a blackbird lying motionless in the grass. Worried, he asks his friends what can be the matter. Very gently and simply, then animals begin to understand the meaning of death and the beauty of life in this moving story.

Coming home from her independent city life, a young woman rediscovers childlike wonder and comfort at her grandmother's house. A young woman gets on the bus and rides out of the big city. She arrives in the countryside, where she is as big as a giant, looming over a tiny house, a garden and her tiny grandmother. The cabbages and the apple trees are far below. Her grandmother smiles up at her in her yellow hat. The young woman bends down to give her little grandmother a big kiss, and then she smells her grandmother's cooking. She has returned home. When they sit down at the table, the young woman has shrunk to a child-like size, and the two share a meal together in the garden. In this gentle, wordless story Natalia Chernysheva beautifully captures the feelings of coming home to comfort and memories and of returning to our childlike selves. Correlates to the Common Core State Standards in English Language Arts: CCSS.ELA-LITERACY.RL.1.7 Use illustrations and details in a story to describe its characters, setting, or events.

These stunningly illustrated, ultra-short stories are seemingly simple but ultimately profound tales. "Buzz off," said the king, shooing the bee from his flower. "Don't you know I'm the king?" "And I'm the

## Download Ebook Duck Death And The Tulip

queen," said the bee, stinging the king's nose. In each story, the king has an encounter which he tries to rule over. But of course the rain doesn't stop just because a king orders it, and tired eyelids can be much stronger than a king's will. The king sees that his power has limits; the world is diverse and much of it operates under its own rules. "An extraordinarily beautiful children's book that leaves plenty of room for your own thoughts a It deals with big questions in a small way."-Litrix.de (German Literature Online)
