Hatshepsut, Nefertiti, and Cleopatra controlled the totalitarian state as power-brokers and rulers. But throughout human history, women in positions of power were more often used as political pawns in a male-dominated society. What was so special about ancient Egypt that provided women this kind of access to the highest political office? What was it about these women that allowed them to transcend patriarchal obstacles? What did Egypt gain from its liberal reliance on female leadership, and could today's world learn from its example? Celebrated Egyptologist Kara Cooney delivers a fascinating tale of female power, exploring the reasons why it has seldom been allowed through the ages, and why we should care.
