García Márquez was an exile from Colombia for most of his adult life, mostly self-imposed, as a result of his anger and frustration over the violence that was taking over his country. He was a lifelong socialist, and a friend of Fidel Castro's: he wrote for La Prensa in Havana, and always maintained personal ties with the communist party in Colombia, even though he never joined as a member.

The biography of the 1982 Nobel Laureate in Literature tells the story of M̄arquez, a young man who rose from obscure provincial journalist to progenitor of a new literature.	

In this exhaustive and enlightening biography—nearly two decades in the making—Gerald Martin dexterously traces the life and times of one of the twentieth century’s greatest literary titans, Nobel Prize-winner Gabriel García Márquez. Martin chronicles the particulars of an extraordinary life, from his upbringing in backwater Colombia and early journalism career, to the publication of One Hundred Years of Solitude at age forty, and the wealth and fame that followed. Based on interviews with more than three hundred of Garcia Marquez’s closest friends, family members, fellow authors, and detractors—as well as the many hours Martin spent with ‘Gabo’ himself—the result is a revelation of both the writer and the man. It is as gripping as any of Gabriel García Márquez’s powerful journalism, as enthralling as any of his acclaimed and beloved fiction.

Gabriel García Márquez, author of the modern classic One Hundred Years of Solitude and Love in the Time of Cholera, is one of the greatest and most popular writers of the late-twentieth century. As Gerald Martin tells the story of the author's fascinating rise to wealth and international fame, he reveals the tensions in García Márquez's life between celebrity and literary quality, between politics and writing, and between power, solitude and love. Interviewing more than three hundred people including Fidel Castro, Felipe González, Carlos Fuentes and Mario Vargas Llosa, the author's large family as well as 'Gabo' himself, Martin immerses himself in García Márquez's world. This at first 'tolerated' and now 'official' biography is as gripping and revealing as the writer's journalism and as complex and involving as any of his fiction.

Gabriel García Márquez, author of One Hundred Years of Solitude and Love in the Time of Cholera, is one of the most popular writers of the last 50 years. Gerald Martin's superb achievement is to reveal the gritty, fascinating, and frequently humorous reality behind the books. While completely immersing himself in García Márquez's world, Martin never loses his critical perspective as he recounts a life that is as gripping and revealing as the writer's powerful journalism, and as complex and involving as any of his fictions.

An oral history biography of the legendary Latin American writer and Nobel laureate Gabriel García Márquez, brimming with atmosphere and insight. Irreverent and hopeful, Solitude & Company recounts the life of a boy from the provinces who decided to become a writer. This is the story of how he did it, how little Gabito became Gabriel García Márquez, and of how Gabriel García Márquez survived his own self-creation. The book is divided into two parts. In the first, BC, before Cien años de soledad (One Hundred Years of Solitude), his siblings speak and those who were friends before García Márquez became the universally loved Latin American icon. Those who knew him when he still didn't have a proper English tailor nor an English biographer, and didn't accompany presidents. It gathers together the voices around the boy from the provinces, the sisters and brothers, the childhood friends, the drinking buddies and penniless fellow students. The second part, AC, describes the man behind the legend that García Márquez became. From Aracataca, to Baranquilla, to Bogota, to Paris, to Mexico City, the solitude that García Márquez needed to produce his masterpiece turns out to have been something of a raucous party whenever he wasn't actually writing. Here are the writers Tomás Eloy Martínez, Edmundo Paz Soldán and William and Rose Styron; legendary Spanish agent Carmen Balcells; the translator of A Hundred Years of SolitudeGregory Rabassa; Gabo's brothers Luis Enrique, Jaime, Eligio and Gustavo, and his sisters Aida and Margot; María Luisa Elío, to whom A Hundred Years of Solitude is dedicated; and so much more: a great deal of music, especially the vallenato; the hilarious scenes of several hundred Colombians. García Márquez's chosen delegation, flying to Stockholm for the Nobel Prize celebrations; the time Mario Vargas Llosa punched Gabriel García Márquez in the face; and much, much more. In Living to Tell the Tale, the first volume of García Márquez's autobiography, Gabo writes: "I am consoled, however, that at times oral history might be better than written, and without knowing it we may be inventing a new genre needed by literature: fiction about fiction." Solitude & Company joins other great oral histories, like Jean Stein and George Plimpton's Edie: American Girl, their oral history biography of Edie Sedgwick, or Barry Gifford's oral history of Jack Kerouac, Jack's Book—an intimate portrait of the most human side of Gabriel García Márquez told in the words of those who knew him best throughout his life.

“This is a beautiful farewell to two extraordinary people. It enthralled and moved me, and it will move and enthrall anyone who has ever entered the glorious literary world of Gabriel García Márquez.”—Salman Rushdie “In A Farewell to Gabo and Mercedes Rodrigo Garcia finds the words that cannot be said, the moments that signal all that is possible to know about the passage from life to death, from what love brings and the loss it leaves. With details as rich as any giant biography, you will find yourself grieving as you read, grateful for the profound art that remains a part of our cultural heritage.”—Walter Mosley, New York Times bestselling author of Down the River Unto the Sea “An intensely personal reflection on [Garcia's] father's legacy and his family bonds, tender in its treatment and stirring in its brevity.”—Booklist (starred review) The son of one of the greatest writers of our time—Nobel Prize winner and internationally bestselling icon Gabriel García Márquez—remembers his beloved father and mother in this tender memoir about love and loss. In March 2014, Gabriel García Márquez, one of the most acclaimed writers of the twentieth century, came down with a cold. The woman who had been beside him for more than fifty years, his wife Mercedes Barcha, was not hopeful; her husband, affectionately known as “Gabo,” was then nearly 87 and battling dementia. I don't think we'll get out of this one, she told their son Rodrigo. Hearing his mother's words, Rodrigo wondered, “Is this how the end begins?” To make sense of events as they unfolded, he began to write the story of García Márquez's final days. The result is this intimate and honest account that not only contemplates his father's mortality but reveals his remarkable humanity. Both an illuminating memoir and a heartbreaking work of reportage, A Farewell to Gabo and Mercedes transforms this towering genius from literary creator to protagonist, and paints a rich and revelatory portrait of a family coping with loss. At its center is a man at his most vulnerable, whose wry humor shines even as his lucidity wanes. Gabo savors affection and attention from those in his orbit, but wrestles with what he will lose—and what is already lost. Throughout his final journey is the charismatic Mercedes, his constant companion and the creative muse who was one of the foremost influences on Gabo's life and his art. Bittersweet and insightful, surprising and powerful, A Farewell to Gabo and Mercedes celebrates the formidable legacy of Rodrigo's parents, offering an unprecedented look at the private family life of a literary giant. It is at once a gift to Gabriel García Márquez's readers worldwide, and a grand tribute from a writer who knew him well. “You read this short memoir with a feeling of deep gratitude. Yes, it is a moving homage by a son to his extraordinary parents, but also much more: it is a revelation of the hidden corners of a fascinating life. A Farewell to Gabo and Mercedes is generous, unsentimental and wise.” —Juan Gabriel Vásquez, author of The Sound of Things Falling “A warm homage filled with both fond and painful memories.” —Kirkus "Garcia's limpid prose gazes calmly at death, registering pain but not being overcome by it. . . . the result is a moving eulogy that will captivate fans of the literary lion." — Publishers Weekly

Set on the Caribbean coast of South America, this love story brings together Fermina Daza, her distinguished husband, and a man who has secretly loved her for more than fifty years.

One of the 20th century's enduring works, One Hundred Years of Solitude is a widely beloved and acclaimed novel known throughout the world, and the ultimate achievement in a Nobel Prize–winning career. The novel tells the story of the rise and fall of the mythical town of Macondo through the history of the Buendía family. It is a rich and brilliant chronicle of life and death, and the tragicomedy of humankind. In the noble, ridiculous, beautiful, and tawdry story of the Buendía family, one sees all of humanity, just as in the history, myths, growth, and decay of Macondo, one sees all of Latin America. Love and lust, war and revolution, riches and poverty, youth and senility -- the variety of life, the endlessness of death, the search for peace and truth -- these universal themes dominate the novel. Whether he is describing an affair of passion or the voracity of capitalism and the corruption of government, Gabriel García Márquez always writes with the simplicity, ease, and purity that are the mark of a master. Alternately reverential and comical, One Hundred Years of Solitude weaves the political, personal, and spiritual to bring a new consciousness to storytelling. Translated into dozens of languages, this stunning work is no less than an accounting of the history of the human race.

An introduction to the life and work of the Nobel prize-winning Colombian author describes his childhood in Aracataca, Colombia, and how the things that surrounded him inspired his imagination and his desire to become a storyteller.
