From the author of the bestselling Jon Reznick Thriller series comes an exhilarating new adventure. When the people he loves most are in danger, Jack McNeal will get revenge...or die trying. NYPD detective Jack McNeal is used to asking the tough questions. But a late-night visit from the Secret Service lands Jack on the other side of the table--as a suspect in the disappearance of his estranged wife, Caroline, a prominent reporter on the White House beat. When her body is found floating in the Potomac, Jack is overcome by disbelief and despair. Her death seems eerily similar to the suspicious fatality of a young socialite years before. Is the similarity of the two tragic incidents simply a coincidence, or could it be a sign of a murderous orchestrated plot to protect those in the highest echelons of the American government? To avenge Caroline's death, Jack embarks on a journey into the darkest recesses of power. Suspects abound--from haunted special forces soldiers to ex-CIA to the president's own body man. Along the way, Jack will be forced to decide: Is there a line he won't cross to expose the killer?

Jon Reznick will protect New York City or die trying. When a group of homegrown attackers takes aim at cops outside a Fourth of July baseball game, black-ops specialist Jon Reznick and his daughter, Lauren, are caught in the cross fire. Jon hunts down two of the gunmen. But the last member of the group is at large and about to launch a fresh killing spree across the city. Cops are under fire, and Jon must stop this madman before more people are killed. But Jon's renegade tactics and vigilante justice are starting to ruffle some feathers, and his friends in high places might not be able to help him anymore. With leaks inside the FBI and resistance from the NYPD, Reznick doesn't know whom to trust. He knows one thing: he won't watch the city he loves be torn apart, especially not with his daughter in the crosshairs. But can he get to her in time?

Jon Reznick has never played by the rules, a trait that has brought him into conflict with FBI Assistant Director Martha Meyerstein in the past. But now Meyerstein has been taken by a shadowy gang, and the renegade black-ops specialist may be her only hope for rescue. The FBI are reluctant to let Reznick anywhere near the case, but he's not in the habit of seeking their permission—especially once his covert investigation leads him straight to the head of the Russian Mob. And it soon becomes clear that it's not only Meyerstein who's in danger: her abduction is just the start of a campaign to undermine American law and order. With Meyerstein's whereabouts just out of reach, and the CIA and FBI seemingly operating at cross-purposes, it falls to Reznick to go it alone. Can he get to Meyerstein before the Mob get to him?

An American diplomat goes missing and ex-Special Forces operative Jon Reznick joins a top secret team, led by FBI Assistant Director Martha Meyerstein, to help track him down. The team believes that there may be a terrorist group, perhaps Islamists, who have kidnapped him, as the diplomat's area of expertise is the Persian Gulf. But Reznick is training his sights on an unlikely candidate - a leading Washington DC surgeon.

He's fighting for justice while she fights for her life. With his daughter lying in the hospital, struck down in a reckless hit-and-run, the only thing Jon Reznick can do is wait--and plot his revenge. Not satisfied with the slow-moving police investigation, he starts his own manhunt. He discovers that the car belongs to a high-ranking diplomat whose interests are closely tied to those of the United States government, and this man may not be what he appears. The FBI wants Reznick to back down, but the more information Jon digs up, the more questions he finds. Was it a simple accident, or is there more to it? How many young women's lives has this man ruined? Lauren's life hangs in the balance, and Jon must get answers, no matter the cost--to him or the government. With the help of a dedicated NYPD detective who has suspicions of her own, as well as FBI Assistant Director Martha Meyerstein, Jon Reznick will have to fight for his daughter while she fights for her life.
