an easy to read format that will help the reader to know what to do to maintain his or her health. Most people are confused because of all the slick marketing done by the commercial food industry and the pharmaceutical companies. This book pulls back the camouflage and gives us a look at the inner workings of this gigantic mess.

Is religion the same as culture? How does it fit with life in the modern world? Do you have to 'believe' to be part of one? From televangelism in the American South to the wearing of hijab in Britain and Egypt; from the rise of paganism to the aftermath of September 11th, this accessible guide looks at the ways in which religion interacts with the everyday world in which we live. A comprehensive introduction to the world of religion, it
