No need to fire up a blowtorch or warm a soldering iron for these projects. With just a saw & a hammer you are ready to follow Joanna Gollberg through 25 eye-catching projects made with 'cold-connections' techniques from sterling silver, copper, brass & aluminium sheets.

With 30 projects and an introduction to both crafting paper flowers and working with crepe paper, this book is full of inspiration and expert advice for beginners. If you have a Cricut Maker, you can download the templates to your machine so you can enjoy your own homemade bouquets in no time. Crepe paper is the best material for creating paper flowers, especially for beginners. It's forgiving and malleable--easy to cut, bend, curl, and shape into peony petals, daffodil trumpets, chrysanthemum blooms, and more. And if you have a Cricut Maker, you can easily cut out the shapes from templates you download for free on Lia Griffith's website using a code. Then, follow instructions for crafting the flowers to arrange and display in vases and pots and as bouquets and wreaths.

These amazingly simple step-by-step tutorials inspire crafters to decorate their lives with brightly colored and boldly textured flowers that never die. Through her popular Etsy shop, Paper & Peony, Chantal Larocque creates custom paper flower arrangements for events, weddings and everyday, all infused with her signature bold style and fun colors. Now, with this book readers can learn how to make her flowers and favorite arrangements step by step using easy-to-find supplies and common cardstock. Chantal's use of cardstock instead of the more common tissue or crepe paper gives the flowers a unique bold and full appearance that stands out. With this simple trick, no fancy tools or difficult-to-work-with papers are required, as in other paper flower books on the market. Readers will be amazed at how quick and easy it is to craft these stunning flowers and arrangements. Not only do readers learn how to make each bloom step by step, they also learn to use a variety of those blooms for stunning statement arrangements. The photos showing each step reveal Chantal's secret techniques that give a life-like look to the flowers. Templates are provided at the back of the book for readers to trace onto their cardstock and cut out the petals and leaves. With this helpful and inspiring guide, readers will love creating bold and colorful flower arrangements that last forever. This book has 65 paper flower projects, including arrangements and bouquets, and it has more than 100 photos.
