In 1941, Henry Miller, the author of Tropic of Cancer, was commissioned by a Los Angeles bookseller to write an erotic novel for a dollar a page. Under the Roofs of Paris (originally published as Opus Pistorum) is that book. Here one finds Miller ´s characteristic candor, wit, self-mockery, and celebration of the good life. From Marcelle to Tania, to Alexandra, to Anna, and from the Left Bank to Pigalle, Miller sweeps us up in his odyssey in search of the perfect job, the perfect woman, and the perfect experience.

In 1941, Henry Miller, the author of Tropic of Cancer, was commissioned by a Los Angeles bookseller to write an erotic novel for a dollar a page. Under the Roofs of Paris (originally published as Opus Pistorum) is that book. Here one finds Miller's characteristic candor, wit, self-mockery, and celebration of the good life. From Marcelle to Tania, to Alexandra, to Anna, and from the Left Bank to Pigalle, Miller sweeps us up in his odyssey in search of the perfect job, the perfect woman, and the perfect experience.

Brilliant anime director Satoshi Kon (Paprika, Paranoia Agent, Tokyo Godfathers, Millennium Actress, Perfect Blue) died tragically young in 2010 at the age of forty-six. But before he became a director, he was a manga artist, and Dark Horse is honored to remember Kon with the release of Satoshi Kon ´s OPUS,an omnibus collection of a two-volume manga from 1996, created by Kon on the eve of his first film. OPUS contains the mastery of both realism and surrealism that would make Kon famous in Perfect Blue,as a manga artist planning a shocking surprise ending to his story gets literally pulled into his own work—to face for himself what he had planned for his characters! \* Satoshi Kon was a Time magazine 2010 Person of the Year. \* Kon was eulogized by director Darren Aronofsky. \* Kon was a chief assistant to Katsuhiro Otomo on the Akiramanga.

In the English language, swearing is essential to effective communication. In this hilarious and illuminating guide, you will learn just how to do it - no f\*cking problem. Whether you want to succeed in business, school, or social circles, a strong command of vocabulary is absolutely necessary. Just imagine a stranger to our shores, trying to comprehend the following conversation: John: Mary, would you like to attend the opera this evening? Mary: F\*cking-A. should I wear my black dress? John: Why the f\*ck not? Mary: F\*cked if I know-Oh, f\*ck! I just remembered. It got f\*cked up in the wash. John: Well, f\*ck the opera. Let's stay home and f\*ck. Mary: Good f\*cking idea. English as a Second F\*cking Language (ESF\*L) is the perfect way for nonnative speakers to learn the basics of swearing. At the same time, it also offers native speakers a wide variety of twists and new refinements. Page after page, ESF\*L provides a smorgasbord of swearing synonyms designed to boost your vocabulary-everything from the conventional d\*mn and sh\*t to a host of more inventive terms that would make any truck driver blush. And when you're finished reading, our Final F\*cking Exam is the perfect test of your swearing skills. You'll be surprised by how much you've learned! \* Great f\*cking book! " —Stephen King

Contains excerpts from his second hundred books, arranged in categories.
