Permaculture A Beginners Guide - Spiralseed

So What IS Permaculture? 'PERMACULTURE' is a word that was originally coined in the mid seventies by two Australians, David Holmgren and Bill Mollison, to describe the design system pioneered as a response to what they, and many others globally, saw as serious challenges to the survival of all of us. Originally derived from the words 'PERMANent agricULTURE', permaculture has gone beyond it's roots in looking at strategies to create sustainable food growing methods to become a ...
