Paul was the most influential figure in the early Christian church. In this epistle, written to the founders of the church in Rome, he sets out some of his ideas on the importance of faith in overcoming mankind's innate sinfulness and in obtaining redemption. With an introduction by Ruth Rendell

The Knowing the Bible series is a new resource designed to help Bible readers better understand and apply God's Word. Each 12-week study leads participants through one book of the Bible and is made up of four basic components: (1) Reflection questions designed to help readers engage the text at a deeper level; (2) "Gospel Glimpses" highlighting the gospel of grace throughout the book; (3) "Whole-Bible Connections" showing how any given passage connects to the Bible's overarching story of redemption culminating in Christ; and (4) "Theological Soundings" identifying how historic orthodox doctrines are taught or reinforced throughout Scripture. With contributions from a wide array of influential pastors and church leaders, these gospel-centered studies will help Christians see and cherish the message of God's grace on each and every page of the Bible. The book of Romans was Paul's greatest literary achievement, a majestic letter in which the apostle expounds on crucial doctrines such as original sin, election, substitutionary atonement, the role of the law, and justification by faith alone. Plumbing the theological depths, Jared Wilson writes with a pastor's eye toward understanding and application as he explains the biblical text with clarity and passion, helping readers follow along as Paul recounts the history of salvation and illuminates the glories of the cross of Christ.

The 40 Days Through the Book series has been designed to help believers more actively engage with God's Word. Each study encourages participants to read through one book in the New Testament at least once during the course of 40 days (approximately 6 weeks of meetings) and will provide them with (1) a clear understanding of the background and culture in which the book was written, (2) insights into key passages of Scripture, and (3) clear applications and takeaways from the particular book that participants can apply to their lives. Each study will be recorded in the author's place of residence and will highlight stories and applications that are relevant to his or her ministry in that area. In 40 Days through the Book: Romans Study Guide (DVD/digital downloads sold separately), bestselling author and pastor Max Lucado guides small-group members through Paul's letter to the believers in the city of Rome, revealing what the apostle's words meant to his original readers . . . and how they apply to us today. Participants will be encouraged as they listen to Max's teachings and, through the accompanying study guide, challenged to read the book of Romans on their own during the forty days they spend together in the study. Designed for use with the 40 Days Through the Book: Romans Video Study (sold separately).

Understanding the theology that is bound inseparably with practice will pay rich rewards as we learn how to live a distinctively Christian life with the help of this study guide.

Shepherd's Notes on Romans delivers the essentials of the epistle in succinct, easy-to-digest bites. Each chapter contains a capsule thought, Old Testament reference, historical background, New Testament reference, application, and word picture.

Based on the Revised Standard Version -- Catholic Edition, this volume leads readers through a penetrating study of Saint Paul's Letter to the Romans, using the biblical text itself and the Church's own guidelines for understanding the Bible. Ample notes accompany each page, providing fresh insights and commentary by renowned Bible teachers Scott Hahn and Curtis Mitch, as well as time-tested interpretations from the Fathers of the Church. These helpful study notes make explicit what Saint Paul's Letter to the Romans often assumes. They also provide rich historical, cultural, geographical, and theological information pertinent to the Letter. The Ignatius Study Bible also includes Topical Essays, Word Studies and Charts. Each page includes an easy-to-use Cross-Reference Section. Study Questions are provided for each chapter of the Letter to the Romans that can deepen your personal study of God's Holy Word. There is also an introductory essay covering questions of authorship, date, destination, structure, and themes. An outline of the Letter and several maps are also included. Book jacket.

In Romans, the Apostle Paul unfolds God's way to righteousness--how we can be reconciled to God and transformed into the people He means us to be. Sin, salvation, grace, death, and resurrection--no other biblical book illumines so many classic, life-changing truths. This Bible study on the book of Romans will help you understand the book's historical context, purpose, structure, and meaning and apply its powerful, relevant wisdom to your needs and issues. • Personal study between meetings • 20 sessions • Includes study aids and discussion questions

This is the latest release in Enduring Word Media's commentary series by David Guzik. David Guzik's commentaries are noted for their clear, complete, and concise explanation of the Bible. Pastors, teachers, class leaders, homestudy groups, and everyday Christians all over the world have found this commentary series remarkably helpful.

Given the popular-level conversations on phenomena like the Gospel of Thomas and Bart Ehrman's Misquoting Jesus, as well as the current gap in evangelical scholarship on the origins of the New Testament, Michael Kruger's Canon Revisited meets a significant need for an up-to-date work on canon by addressing recent developments in the field. He presents an academically rigorous yet accessible study of the New Testament canon that looks deeper than the traditional surveys of councils and creeds, mining the text itself for direction in understanding what the original authors and audiences believed the canon to be. Canon Revisited provides an evangelical introduction to the New Testament canon that can be used in seminary and college classrooms, and read by pastors and educated lay leaders alike. In contrast to the prior volumes on canon, this volume distinguishes itself by placing a substantial focus on the theology of canon as the context within which the historical evidence is evaluated and assessed. Rather than simply discussing

Read Free Romans Study Guide And Notes

the history of canon—rehashing the Patristic data yet again—Kruger develops a strong theological framework for affirming and authenticating the canon as authoritative. In effect, this work successfully unites both the theology and the historical development of the canon, ultimately serving as a practical defense for the authority of the New Testament books.
