Sir Malcolm and the Missing Prince by Sidney Baldwin is geared for a younger audience; however, this age-old story of redemption will appeal to all ages. One moment more, sire...to tell you of the gratitude a boy owes to a man he once called ' father, ' a man who showed naught but kindness to an impertinent child, who then thought himself above all others, who failed the man when put to the test.

Each chapter is individually summarized and analyzed, and has study questions and answers. Amazon.com Review Malcolm X's searing memoir belongs on the small shelf of great autobiographies. The reasons are many: the blistering honesty with which he recounts his transformation from a bitter, self-destructive petty criminal into an articulate political activist, the continued relevance of his militant analysis of white racism, and his emphasis on self-respect and self-help for African Americans. And there's the vividness with which he depicts black popular culture—try as he might to criticize those lindy hops at Boston's Roseland dance hall from the perspective of his Muslim faith, he can't help but make them sound pretty wonderful. These are but a few examples. The Autobiography of Malcolm X limns an archetypal journey from ignorance and despair to knowledge and spiritual awakening. When Malcolm tells coauthor Alex Haley, "People don't realize how a man's whole life can be changed by one book," he voices the central belief underpinning every attempt to set down a personal story as an example for others. Although many believe his ethic was directly opposed to Martin Luther King Jr.'s during the civil rights struggle of the '60s, the two were not so different. Malcolm may have displayed a most un-Christian distaste for loving his enemies, but he understood with King that love of God and love of self are the necessary first steps on the road to freedom. --Wendy Smith Review Biography, published in 1965, of the American black militant religious leader and activist who was born Malcolm Little. Written by Alex Haley, who had conducted extensive audiotaped interviews with Malcolm X just before his assassination in 1965, the book gained renown as a classic work on black American experience. The Autobiography recounts the life of Malcolm X from his traumatic childhood plagued by racism to his years as a drug dealer and pimp, his conversion to the Black Muslim sect (Nation of Islam) while in prison for burglary, his subsequent years of militant activism, and the turn late in his life to more orthodox Islam. --The Merriam-Webster Encyclopedia of Literature

Poverty and Politics: The Rise and Decline of the Farm Security Administration

Edward St. Aubyn is "great at dissecting an entire social world" (Michael Chabon, Los Angeles Times) Edward St. Aubyn's Patrick Melrose novels were some of the most celebrated works of fiction of the past decade. Ecstatic praise came from a wide range of admirers, from literary superstars such as Zadie Smith, Francine Prose, Jeffrey Eugenides, and Michael Chabon to pop-culture icons such as Anthony Bourdain and January Jones. Now St. Aubyn returns with a hilariously smart send-up of a certain major British literary award. The judges on the panel of the Elysian Prize for Literature must get through hundreds of submissions to find the best book of the year. Meanwhile, a host of writers are desperate for Elysian attention: the brilliant writer and serial heartbreaker Katherine Burns; the levelorn debut novelist Sam Black; and Bunjee, convinced that his magnum opus, The Mulberry Elephant, will take the literary world by storm. Things go terribly wrong when Katherine's publisher accidentally submits a cookery book in place of her novel; one of the judges finds himself in the middle of a scandal; and Bunjee, aghast to learn his book isn't on the short list, seeks revenge. Lost for Words is a witty, fabulously entertaining satire that cuts to the quick of some of the deepest questions about the place of art in our celebrity-obsessed culture, and asks how we can ever hope to recognize real talent when everyone has an agenda.
