### The Iconnected Parent | calendar.pridesource

The iConnected Parent is easy to read because of its comfortable style, straightforward approach, and many interesting case studies. Many parents will find this book difficult to read, however, because they will see themselves described in various scenarios. We recommend that those parents who find this hardest to read continue reading.

### Book Review: The iConnected Parent – College Parent Central

An essential assessment of the state of parent-child relationships in an age of instant communication, The iConnected Parent goes beyond sounding the alarm about the ways many young adults are failing to develop independence to describe the healthy, mutually fulfilling relationships that can emerge when families grow closer in our wired world.
