Course Description.
In response to the
continuing increase
in the average age
of motorcyclists

File Type PDF The Motorcycle

(now 40 years of age), MSF has developed this course to help riders stay safe through all phases of their life. All riders should understand that safe riding depends as much on the mental skills of awareness and judgment as it does

File Type PDF

The Motorcycle

on the physical skill of maneuvering the machine; in other words, respond early to possible hazards instead of having to react instantly to an emergency.
