The Tao of Pooh is a short book written before I was born that purports to elucidate certain concepts related to Taoism through the characters and story of A.A. Milne's Winnie the Pooh. According to Benjamin Hoff (who, incidentally, has the best first name ever), Pooh is a textbook Taoist.

[The Tao of Pooh by Benjamin Hoff - Goodreads](#)

The Tao of Pooh is a book written by Benjamin Hoff. The book is intended as an introduction to the Eastern belief system of Taoism for Westerners. It allegorically employs the fictional characters of A. A. Milne's Winnie-the-Pooh stories to explain the basic principles of philosophical Taoism. The book was on the New York Times bestseller list for 49 weeks. Hoff later wrote *The Te of Piglet*, a companion book.

Pooh is a "bear of very little brain" which at first would seem to preclude his being much of a Taoist philosopher; however, one of the principle tenets of Taoism P'u, otherwise known as the Uncarved Block, which suggests that things in their uncarved state are powerful in their own simplicity. Pooh is the epitome of the Uncarved Block.

Review: What a sweet, calming read! *The Tao of Pooh* by Benjamin Hoff is a cute, quick read. It talks about Taoism and how Winnie the Pooh exudes Taoist principles. I don't know a lot about Taoism, and books with a philosophical leaning don't normally interest me, but I read *The Tao of Pooh* in just a few sittings and was completely enchanted by it! If you're looking for a sweet read that urges you to simplify and have a more cheerful outlook on life, this is a great book!

An expert in Chinese philosophy explains facets of Taoism using Milne's famous character and explores the world of Winnie-the-Pooh through Tao, characterizing Pooh as a simple bear who subscribes to the principles of successful living

An utterly unique and accessible introduction to the ancient principles of Taoism with the world's favourite bear, Winnie-the-Pooh and his friend Piglet. Winnie-the-Pooh has a certain way about him, a way of doing things that has made him the world's most beloved bear, and Pooh's Way, as Benjamin Hoff brilliantly demonstrates, seems strangely close to the ancient Chinese principles of Taoism. And as for Piglet, he embodies the very important principle of Te, meaning Virtue of the Small. "It's hard to be brave," said Piglet, sniffing slightly, "when you're only a Very Small Animal." Rabbit, who had begun to write very busily, looked up and said: "It is because you are a very small animal that you will be useful in the adventure before us." Benjamin Hoff's explanations of Taoism and Te through Pooh and

Piglet show that this is not an ancient and remote philosophy but something that you can use, here and now. Beautifully illustrated by E H Shepard.

Taoist philosophy explained using examples from A A Milne's Winnie-the-Pooh.

The principles of Taoist philosophy are here explained using examples from A. A. Milne's popular classics, Winnie-the-Pooh and The House at Pooh Corner.

The bestselling author of The Tao of Pooh offers a uniquely authentic translation of the enduring Tao Te Ching, based on the meanings of the ancient Chinese characters in use when the Taoist classic was written. From Benjamin Hoff, author of The Tao of Pooh and The Te of Piglet, which have sold millions of copies worldwide, comes The Eternal Tao Te Ching, a new translation of the Chinese philosophical classic, the Tao Te Ching. The Eternal Tao Te Ching is the first translation to employ the meanings of the pre-writing brush characters in use 2,400 years ago, when the classic was written, rather than relying on the often-different meanings of the more modern brush characters, as other translations have done. Hoff points out in his chapter notes the many incidents of meddling and muddling that have been made over the centuries by scholars and copyists, and he corrects the mistakes and removes such tampering from the text. Hoff also makes the provocative claim—and demonstrates by revealing clues in the text—that the Tao Te Ching's author was a young nobleman hiding his identity, rather than the long-alleged author, the "Old Master" of legend, Lao-tzu. And Hoff's chapter notes shed new light on the author's surprisingly modern viewpoint. With a selection of lyrical color landscape photographs by the author, this is a unique, and uniquely accessible, presentation of the Tao Te Ching.

Explains Taoism by the way Winnie-the-Pooh lives by its principles, and the Taoist principle of Te, the Way of the Small, through Piglet.

Part inspiration, part information narrative for our story is based on walking meditation, also known as mindful walking; an active practice that requires you to be consciously aware and moving in the environment rather than sitting with your eyes closed. Just as The Life-Changing Magic of Tidying Up, Marie Kondo's mega-selling book (over 4 million copies sold worldwide) provides readers with a life/spiritual philosophy embedded in the how-to of minimalism (with practical tips for de-cluttering of one's home), A Walk in the Wood provides a narrative grounded in the simple act of slowing down, observing what is around us, and being present. Appealing to adults who are actively searching ways to join the JOMO movement (Joy of Missing Out and being content just "being"), A Walk in the Wood also makes for a perfect gift for stressed-out family members and friends.
