Westerns are devoted to telling stories set primarily in the latter half of the 19th century in the American Old West, but there are also a number of works about Western-type characters in contemporary settings. Westerns often stress the harshness of the wilderness and frequently set the action in an

arid, desolate landscape.

Her courage and her heart will be tested in ways she never expected... Beth Thatcher has spent her entire life in the safe, comfortable world of her family, her friends, and the social outings her father's wealth provides. But Beth is about to leave it all behind to accept a teaching position in the rugged foothills of western Canada. Inspired by her aunt Elizabeth, who went west to teach school several years ago, and gently encouraged by her father, Beth resolves to put her trust in God and bravely face any challenge that comes her way. But the conditions in Coal Valley are even worse than she'd feared. A recent mining accident has left the town grieving and at the mercy of the mining company. The children have had very little prior education, and many of the locals don't even speak English. There isn't even a proper schoolhouse. In addition, Beth's heart is torn between two young men--both Mounties, one a lifelong friend and the other a kind, quiet man who comes to her aid more than once. Despite the many challenges, Beth is determined to make a difference in the rustic frontier town. But when her sister visits from the East, reminding her of all the luxuries she's had to give up, will Beth decide to return to her privileged life as soon as the school year is over? A special companion story to Hallmark Channel's When Calls the Heart TV series

Anna, Olivia, and Delilah love the single life, but the men of Manhattan have other plans. Find out just how hard they fall in this contemporary romance box set featuring the first three stories in the West Side series. Included: When the Stars - A sweet second-chance, friends-to-lovers romance Trust Me - A billionaire romance with a thrilling edge Walk the Dog - A fun, hot, single dad romance When the Stars Thanks to a mutual friend, Anna discovers her college ex moved in down the hall... Back in the day, I wanted her to be my everything. Now, a relationship isn't in the cards. She threw that chance away. But that doesn't mean we can't have fun... right? Anna was my everything. But since all it took was one stupid fight to shove her into my roommate's arms, clearly she didn't feel the same. That's all ancient history, though. I'm on the fast track to partner. I'm a different man now. She's ancient history. And still, nothing could've prepared me for seeing Anna again. All the old feelings are still there, but I won't fall again. Not now, not with her. Thanks to my buddy, now she's my neighbor. Friends with benefits? It doesn't seem like such a bad idea... Trust Me Olivia returns to New York and

finds love in a coffee shop... It's the things we love the most that have the power to destroy us. There was a time when I trusted everyone. Before my little idea grew into a billion-dollar company. Now, I trust few. Been burned too many times by people looking for a handout. Yeah, my wealth opens doors, but it also places a target on my back. Then I meet Olivia. Security clears her. Determines her safe. The more I get to know her, the more I want her, but just being around me places her in danger - opening her up to the crazy in my world. I'll do everything I can to keep her safe. All I need to do is figure out exactly who I can trust. Walk the Dog Delilah reluctantly agrees to dogsit for Anna, with disastrous (or maybe not so disastrous) consequences... 50 Shades of Spay: No Litters, Baby. That's the sign in front of the Chelsea Veterinary Clinic on the lower west side of Manhattan, where I'm currently standing on what is clearly another crappy Saturday morning. I'm at a vet clinic. It's not even my dog - pet sitting has gone horribly wrong. Last night is, well, fuzzy. Then in walks Dr. Herriot. Sex in scrubs. The dog will be okay. This vet: Oh, Mylanta. He. Asks. Me. Out. I love Saturday mornings.

A beloved series from Janette Oke! Nothing in her cultured upbringing prepared Elizabeth for life in the West. The frontier will test this teacher's faith but also stir her heart. Includes: 1 When Calls the Heart 2 When Comes the Spring 3 When Breaks the Dawn 4 When Hope Springs New 5 Beyond the Gathering Storm 6 When Tomorrow Comes

For fans of Small Spaces, Coraline, A Series of Unfortunate Events, and James Howe's Bannicula classics comes the first book in the award-winning, New York Times bestselling Books of Elsewhere series. This house is keeping secrets . . . When eleven-year-old Olive and her parents move into the crumbling mansion on Linden Street and find it filled with mysterious paintings, Olive knows the place is creepy—but it isn't until she encounters its three talking cats that she realizes there's something darkly magical afoot. Then Olive finds a pair of antique spectacles in a dusty drawer and discovers the most peculiar thing yet: She can travel inside the house's spooky paintings to a world that's strangely quiet . . . and eerily sinister. But in entering Elsewhere, Olive has been ensnared in a mystery darker and more dangerous than she could have imagined, confronting a power that wants to be rid of her by any means necessary. With only the cats and an unusual boy she meets in Elsewhere on her side, it's up to Olive to save the house from the shadows, before the lights go out for good.

You die when you die . . . You can't change your fate -- so throw yourself into battle, because you'll either win or wake up drinking mead in the halls of your ancestors. That's what Finn's people believe. But Finn wants to live. When his settlement is massacred by a hostile nation, Finn plus several friends and rivals must make their escape across a brutal, unfamiliar landscape, and to survive, Finn will fight harder than he's ever fought before. The David Gemmell Award-nominated author of Age of Iron returns with You Die When You Die -- an epic fantasy adventure in which a mismatched group of refugees battle animals and monsters, determined assassins, an unforgiving land and each other as they cross a continent to fulfil a prophecy. "I loved every second of it . . . More please, as soon as is humanly possible!" -- The Eloquent Page "Hugely entertaining." -- SFX "A rip-roaring, swiftly paced adventure set in a sprawling and beautifully detailed world . . . sure to win the devotion of plenty of fans." -- RT Book Reviews "The first book in Watson's new fantasy trilogy is raw, violent, and gritty . . . You Die When You Die blurs the lines between hero and villain into who lives and who dies. He who survives another day wins for the moment; tomorrow might be another story." -- Booklist

A former screen diva's biggest fan is about to become her worst nightmare in this psychological thriller by the #1 New York Times bestselling author. When she wakes up, she's very cold.
