Through the Breach takes place in the world of Malifaux, where steam power collides with magic, monsters, and the wild west. The world of Malifaux is adjacent to Earth, and a portal known as the Breach allows free passage between the two worlds. Those arriving through the Breach will find the Gothic city of Malifaux waiting for them, and this city serves as the backdrop to many of the adventures that take place in Through the Breach.

Malifaux is a skirmish-level miniatures wargame manufactured by Wyrd Miniatures involving gang warfare in the ruins of a crumbling city. The setting of the game is centered around a mysterious city: Malifaux. The city of Malifaux was discovered through a breach opening into another world. This world is a source of the valuable mineral known as "soulstone" which allows for magical effects. Games pit masters and their crews against one another for control of this resource. Released at Gen Con in A
