For more than a quarter of a century, Pat Schneider has helped writers find and liberate their true voices. Now, Schneider's acclaimed methods are made available in a single well-organized and highly readable volume.

For more than a quarter of a century, Pat Schneider has helped writers find and liberate their true voices. She has taught all kinds--the award winning, the struggling, and those who have been silenced by poverty and hardship. Her innovative methods have worked in classrooms from elementary to graduate level, in jail cells and public housing projects, in convents and seminaries, in youth at-risk programs, and with groups of the terminally ill. Now, in *Writing Alone and with Others*, Schneider's acclaimed methods are available in a single well-organized and highly readable volume. The first part of the book guides the reader through the perils of the solitary writing life: fear, writer's block, and the bad habits of the internal critic. In the second section, Schneider describes the Amherst Writers and Artists workshop method, widely used across the U.S. and abroad. Chapters on fiction and poetry address matters of technique and point to further resources, while more than a hundred writing exercises offer specific ways to jumpstart the blocked and stretch the rut-stuck. Schneider's innovative teaching method will refresh the experienced writer and encourage the beginner. Her book is the essential owner's manual for the writer's voice.

The lonely life of a writer need not be. There are ways to break that isolation and find encouragement and support within groups of like-minded people. Sections in *Writing Alone*, *Writing Together* include *Writing Practice Groups*, *Creating Writing Prompts*, *Group Leadership*, and even *What to Do with the Bores, Whiners, Control Junkies, and Thugs*. Whether the group is oriented toward writing the great American novel or a family memory book, this useful book offers an array of effective techniques to help writers achieve their goals.

The perfect set to help you master the art of writing! Set includes *Writing with Power*, *Writing Alone and with Others*, *How to Write*, and *Everyone Can Write*.

Schneider's innovative teaching method will refresh the experienced writer and encourage the beginner. Her book is the essential owner's manual for the writer's voice.

For anyone who feels compelled to write, this writing tool is as important as pen and paper.

"Savvy and insightful." --*New York Times* Technology has become the architect of our intimacies. Online, we fall prey to the illusion of companionship, gathering thousands of Twitter and Facebook friends, and confusing tweets and wall posts with authentic communication. But this relentless connection leads to a deep solitude. MIT professor Sherry Turkle argues that as technology ramps up, our emotional lives ramp down. Based on hundreds of interviews and with a new introduction taking us to the present day, *Alone Together* describes changing, unsettling relationships between friends, lovers, and families.

Adventure, murder, and heart-warming triumphs await within, but this isn't your typical anthology. A curious collection of fiction and nonfiction, this special volume explores the process of team-written work and its relationship to writing alone. Twelve original works of fiction written by four teams invite you to explore unique perspectives on historical figures, the coming end of civilization, and some unusual events in between. Meanwhile, with six essays exploring the importance of writing groups and support and "behind the scenes" interviews with the authors, the nonfiction aspects of the book teach us the value of working with others. No matter how personal an endeavor, good writing is never truly a solitary undertaking.
